Lydia's Legacy Presents "Fashionably Teal" 5th Annual Teal Tea Party

Charlotte, North Carolina – August 17, 2015 – The 2015 Teal Tea Party will be held Sunday, August 30th at Byron's South End (101 West Worthington Avenue). This year marks the event's fifth anniversary and aims to bring together a diverse audience from the greater Charlotte community to experience a unique fashion event – all while increasing awareness about and raising funds to support research for gynecologic cancers. Previous years' events have been a huge success, with sell-out attendance and more than \$30,000 raised.

This year's theme is "Fashionably Teal" and guests will sip in style during the stunning floor show, with clothing provided by Nordstrom. The event will also include a silent auction and presentation of the 2015 Teal Gents, and conclude with guests dancing the afternoon away. Christine Sperow, co-anchor of *WBTV News This Morning* and *News at Noon*, will serve as the Mistress of Ceremonies.

Proceeds from the event provide funding for gynecologic cancer research and awareness. Since its founding in 2011, Lydia's Legacy has donated more than \$60,000 to fund research, and promote cancer education and awareness.
